Tank and Valve rent for 30 days. Rental on the tank is \$23.50 and valve rental is \$10. These rental charges go out every 30 days. Refill prices are the prices above. For future orders, your typical invoice may have a tank, a few bags of balloons and delivery. The safety item is a one-time purchase and ribbon varies with usage. You are not obligated to use the tank up within 30 days; use it at your leisure. There is no deposit, and we can set you up on account if you fill out a New Customer Form.
